Director of Training and Education

STAT

SUBJECT: Executive Seminar, 1-5 June 1987

1. We want to express our appreciation for the contributions you have made to the Executive Seminar. The information you provided to the participants on the proposed changes recommended by the Human Resource Modernization and Compensation Task Force was extremely valuable. Many participants stated in their course evaluations that you completely turned around their perceptions and acceptance of the new system. They made the same positive comments to the Executive Director in their meeting with him following the course.

2. We are grateful for the time and effort you and your staff have given to the Seminar. We hope you will be willing to participate in future runnings.
